sec20ei056@sairamtap.edu.in

I am studying Engineering in Electronics and Instrumentation background. I love to learn new things in programming, financial marketing and technology. My strength is hardworking, easy to connect with people, endurance, Excellent knowledge of social media platforms, Creative mindset, Ability to multitask, Ability to work in a team. My hobbies are Reading newspapers, playing outdoor games, Connecting with new people and Friends. From that Connections I have learnt many more unknown things.

EXPERIENCE

Internship May 2021 - Present

Internbug, West Bengal.

I have certifications in C, Python, SQL Basics **programming** languages, basics of cybersecurity, Introduction to **digital marketing**, Content marketing basics, Instagram marketing fundamentals, AI in digital marketing, etc. Regularly I am learning new things. Currently, I am doing an **internship** in the above-mentioned company as a **campus ambassador**. In this intern, I have completed my everyday tasks as well as my concern. From this internship, as of now, I have learned how to **promote** one content and how to share that content in a way that to reach more people.
